Description of Chapter Awards**

Each year in June of the program year, the Chapter holds an awards luncheon to honor its members for their work over the past year. The following is a listing of the standard awards.

- John Wrafter Distinguished Chapter Service Award - This award is the Chapter's highest honor and recognizes outstanding contributions that have had a major impact on Chapter activities. Past recipients generally have had more than one year of significantly active service and most have also previously received the Chapter Service Award (although this is not a prerequisite).
- Outstanding Achievement in Government Accountability Award – This award recognizes government employees who have demonstrated sustained outstanding leadership and made notable contributions to government accountability.
- Chapter Service - This award is used to recognize participation above and beyond the call of duty, for matters that have made a positive impact and improvement on Chapter operations, membership, etc.
- Tone from the Top Award - This award recognizes those members who set the tone at the top with their staff for encouraging professional development, certification, and association membership and participation.
- Chapter Champion Award – This award recognizes members who have had at least ten years of active service to AGA. It is the Chapter's hall of fame award.
- Certificate of Appreciation/Participation – This certificate is awarded for a wide variety of Chapter activities and achievement. It can be used to recognize departing CEC members, member participation such as: coordinating event registration, contributing original articles to the Newsletter, assisting with TCTC or special conferences or events, etc. and or nonmember support staff who have assisted throughout the year (in some cases, they may also receive a gift certificate).

We also recognize membership longevity (15, 20, 25 years, etc.)
