CELEBRATE THE HOLIDAY SEASON!

Join your colleagues on December 9, 2010 to enjoy a delicious lunch, hear an entertaining speaker and exchange holiday greetings. The annual Holiday Luncheon is jointly sponsored by the New York Capital Chapter of the Association of Government Accountants, along with the local chapters of the Association of Certified Fraud Examiners, the Institute of Internal Auditors and the Information Systems Audit and Control Association.

This year, we have Michael Corso, Managing Director at the New York State Department of Public Service (DPS). Michael's presentation for our holiday luncheon will be motivational and will cover how to relieve stress and overcome personal challenges during difficult times.

At DPS, Michael oversees the Offices of Administration, Consumer Services, Industry and Government Relations, Telecommunications, and Utility Security. He is responsible for ensuring the coordination of Department activities with various local, state and federal agencies, including the New York State Governor's Office, Civil Service, Division of Budget, the Office for Technology, the Federal Communications Commission and the Federal Energy Regulatory Commission. Recently, he had responsibility for overseeing staff's review of smart grid projects proposed by all the major New York State electric utilities which may qualify for stimulus funding from the U.S. Department of Energy.

Michael is a published author and a frequent speaker at conferences and symposia. We think you will enjoy his presentation.

Join us for this enjoyable get-together and learn how to de-stress your holidays. Seasons Greetings!
